

KSC Energy Conservation Program SRB ARF Area Energy Consumption

- The ARF Area costs Americans over **\$1500 per day** in electricity costs.
- Federal Mandates require KSC to reduce energy consumption and your Facility Manager needs your help.
- Contact your Facility Manager, Les Carleton (867-9858) if you have energy conservation suggestions.
- Turning your personal computer, copiers, printers, desk lights, office lighting and fax machines off when you go home really add up to savings!
- Your Energy Managers are Rick Gray (867-9782) and Ray Coffman (867-9536).
- You can log on to <http://environmental.ksc.nasa.gov/> for energy tips.
